

# APPROVED SUPPLIERS

Due to the sensitive nature of the Royal Botanic Gardens Victoria, there are a limited number of suppliers that are approved to provide equipment for functions through authorised gate access to the RBGV.

These suppliers have proven to be reliable & respectful toward both the gardens & clients of the RBGV. They are knowledgeable in the rules & regulations of the gardens & are aware of the strict vehicle guidelines applicable to delivery vehicles. If these suppliers do not supply the equipment you require, please contact the functions and events office on 9885 2777 to discuss other alternatives available
