

APPROVED SUPPLIERS

Due to the sensitive nature of the Royal Botanic Gardens Victoria, there are a limited number of suppliers that are approved to provide equipment for functions through authorised gate access to the RBGV.

These suppliers have proven to be reliable and respectful toward both the gardens and clients of the RBGV. They are knowledgeable in the rules and regulations of the gardens and are aware of the strict vehicle guidelines applicable to delivery vehicles. If these suppliers do not supply the equipment you require, please contact the functions and events office on 9885 2777 to discuss other alternatives available.
