Clients are responsible for any damage to plants and turf areas and the cost of any repairs will be deducted from the bond. BBQ's are subject to further approval on a case by case basis by the RBGV.

Clients are responsible for the removal of all rubbish and bottles associated with their function unless Blakes Feast is catering the event. The area is to be left clean and tidy. Ice is to be poured onto drain grates on pathways and not to be disposed of on lawns or in garden beds.

Pegging is not permitted in the RBGV.

- * Parking details where necessary
- * Request that guests do not throw confetti, rice or rose petals and that they leave quietly
- * Security is required for evening functions

Amplified sound is permitted after Gardens opening hours, all amplified sound must finish by 11.30pm and all functions must conclude by 12.00 midnight. All hirers & caterers must vacate the RBGV by 1.00am. Amplified sound is subject to sound audits & must not interfere with any other event in the RBGV.

Due to the proximity of local residential areas, all amplification must be kept to a reasonable level. Under no circumstances is the noise level to exceed +5 decibels above background noise.

It is required that the organiser / client conduct the function in an orderly manner in full compliance with the RBGV regulations and all statutory requirements. Please refer to this link:

https://www.rbg.vic.gov.au/documents/RBGV_Regulations_Brochure_MG_Sept16.pdf

Details of all suppliers, service providers, entertainment etc must be passed on to the events staff at least two weeks prior to the function. Suppliers cannot park their vehicles in the grounds unless to unload and retrieve supplies.

Vehicles must remain on the paved pathways at all times and must not exceed 8km per hour. Drivers are reminded that pedestrians ALWAYS have right of way.

Supplier's vehicles are not to exceed 3m in height, 2.5m in width, 6m in length and weigh no more than 5 tonne. Drivers of these vehicles are responsible for ensuring that no damage is done to any low or overhanging branches of plants while driving on the paths in the RBGV.

Private vehicles, horse drawn carriages and stretch limousines are NOT permitted in the Royal Botanic Gardens Victoria, this is not negotiable.

Being Crown Land, the Royal Botanic Gardens Victoria requires caterers to be responsible for ensuring that all statutory requirements have been met.

Any Catering organized with Blakes Feast will require a 50% deposit. Full payment is due one week prior to event. No cancellations within seven days of the event.

The Royal Botanic Gardens Victoria is a residential area. Please ask guests to leave quietly.

In the event of extreme weather & the gardens are required to close, it is the clients responsibility to have a back up venue for their ceremony/event. Blakes Feast Catering takes no responsibility for extreme weather conditions; however if an alternate venue is sourced by the client Blakes Feast are happy to transport any food & beverages to the new location.

If any damage to the gardens or rubbish/confetti/roses are left on site, we reserve the right to charge your card for up to \$500 for damages/cleanup fee.

When making a booking it's the clients' responsibility to research what events may be taking place in or around the Royal Botanic Gardens Victoria. Consider the time of day and location of the event and if this will impact your day. Lack of parking, amplified noise and road congestion as well as closures can often be a result of music festivals, fun runs and sporting events around the precinct and Blakes Feast takes no responsibility for noise generated from events beyond our control.
